Application information

Here are some top tips and info if you wish to apply:

- 1) Be completely honest in your application. We consider ALL applications but will be asking for evidence and will check any information you give so don't fall at the first hurdle!
- 2) Are you ready to travel? Most Coach Core roles will need you to travel across your city/area regularly so you need to be up for this and organised!
- 3) Tell us about YOU! This programme wants to give young people an opportunity to succeed so we are looking for leaders, people who love sport and those who want it the most NOT who is the smartest or the most qualified.
- 4) The 2 day recruitment day will be mainly practical so be ready to roll up your sleeves and get involved at all times!
- 5) Not good at sport? No problem! So long as you love it and want to help young people in your community, we can help you be a quality coach.
