Centre Hire Brochure

Host your community. Invest in *Ours*.

The Greenhouse Centre is so much more than a venue

Host your event at the Centre and pair an unforgettable central London setting with meaningful social impact.

The Centre is the heart of the Greenhouse community. It's a safe place where play and connection spark growth and create positive impact.

From private galas to corporate functions, table-tennis competitions, conferences to private parties, this adaptable space offers endless possibilities to excite and engage your community. At the same time, you will be investing in our local community, ensuring the building remains a hub of safety, inclusion and activity.

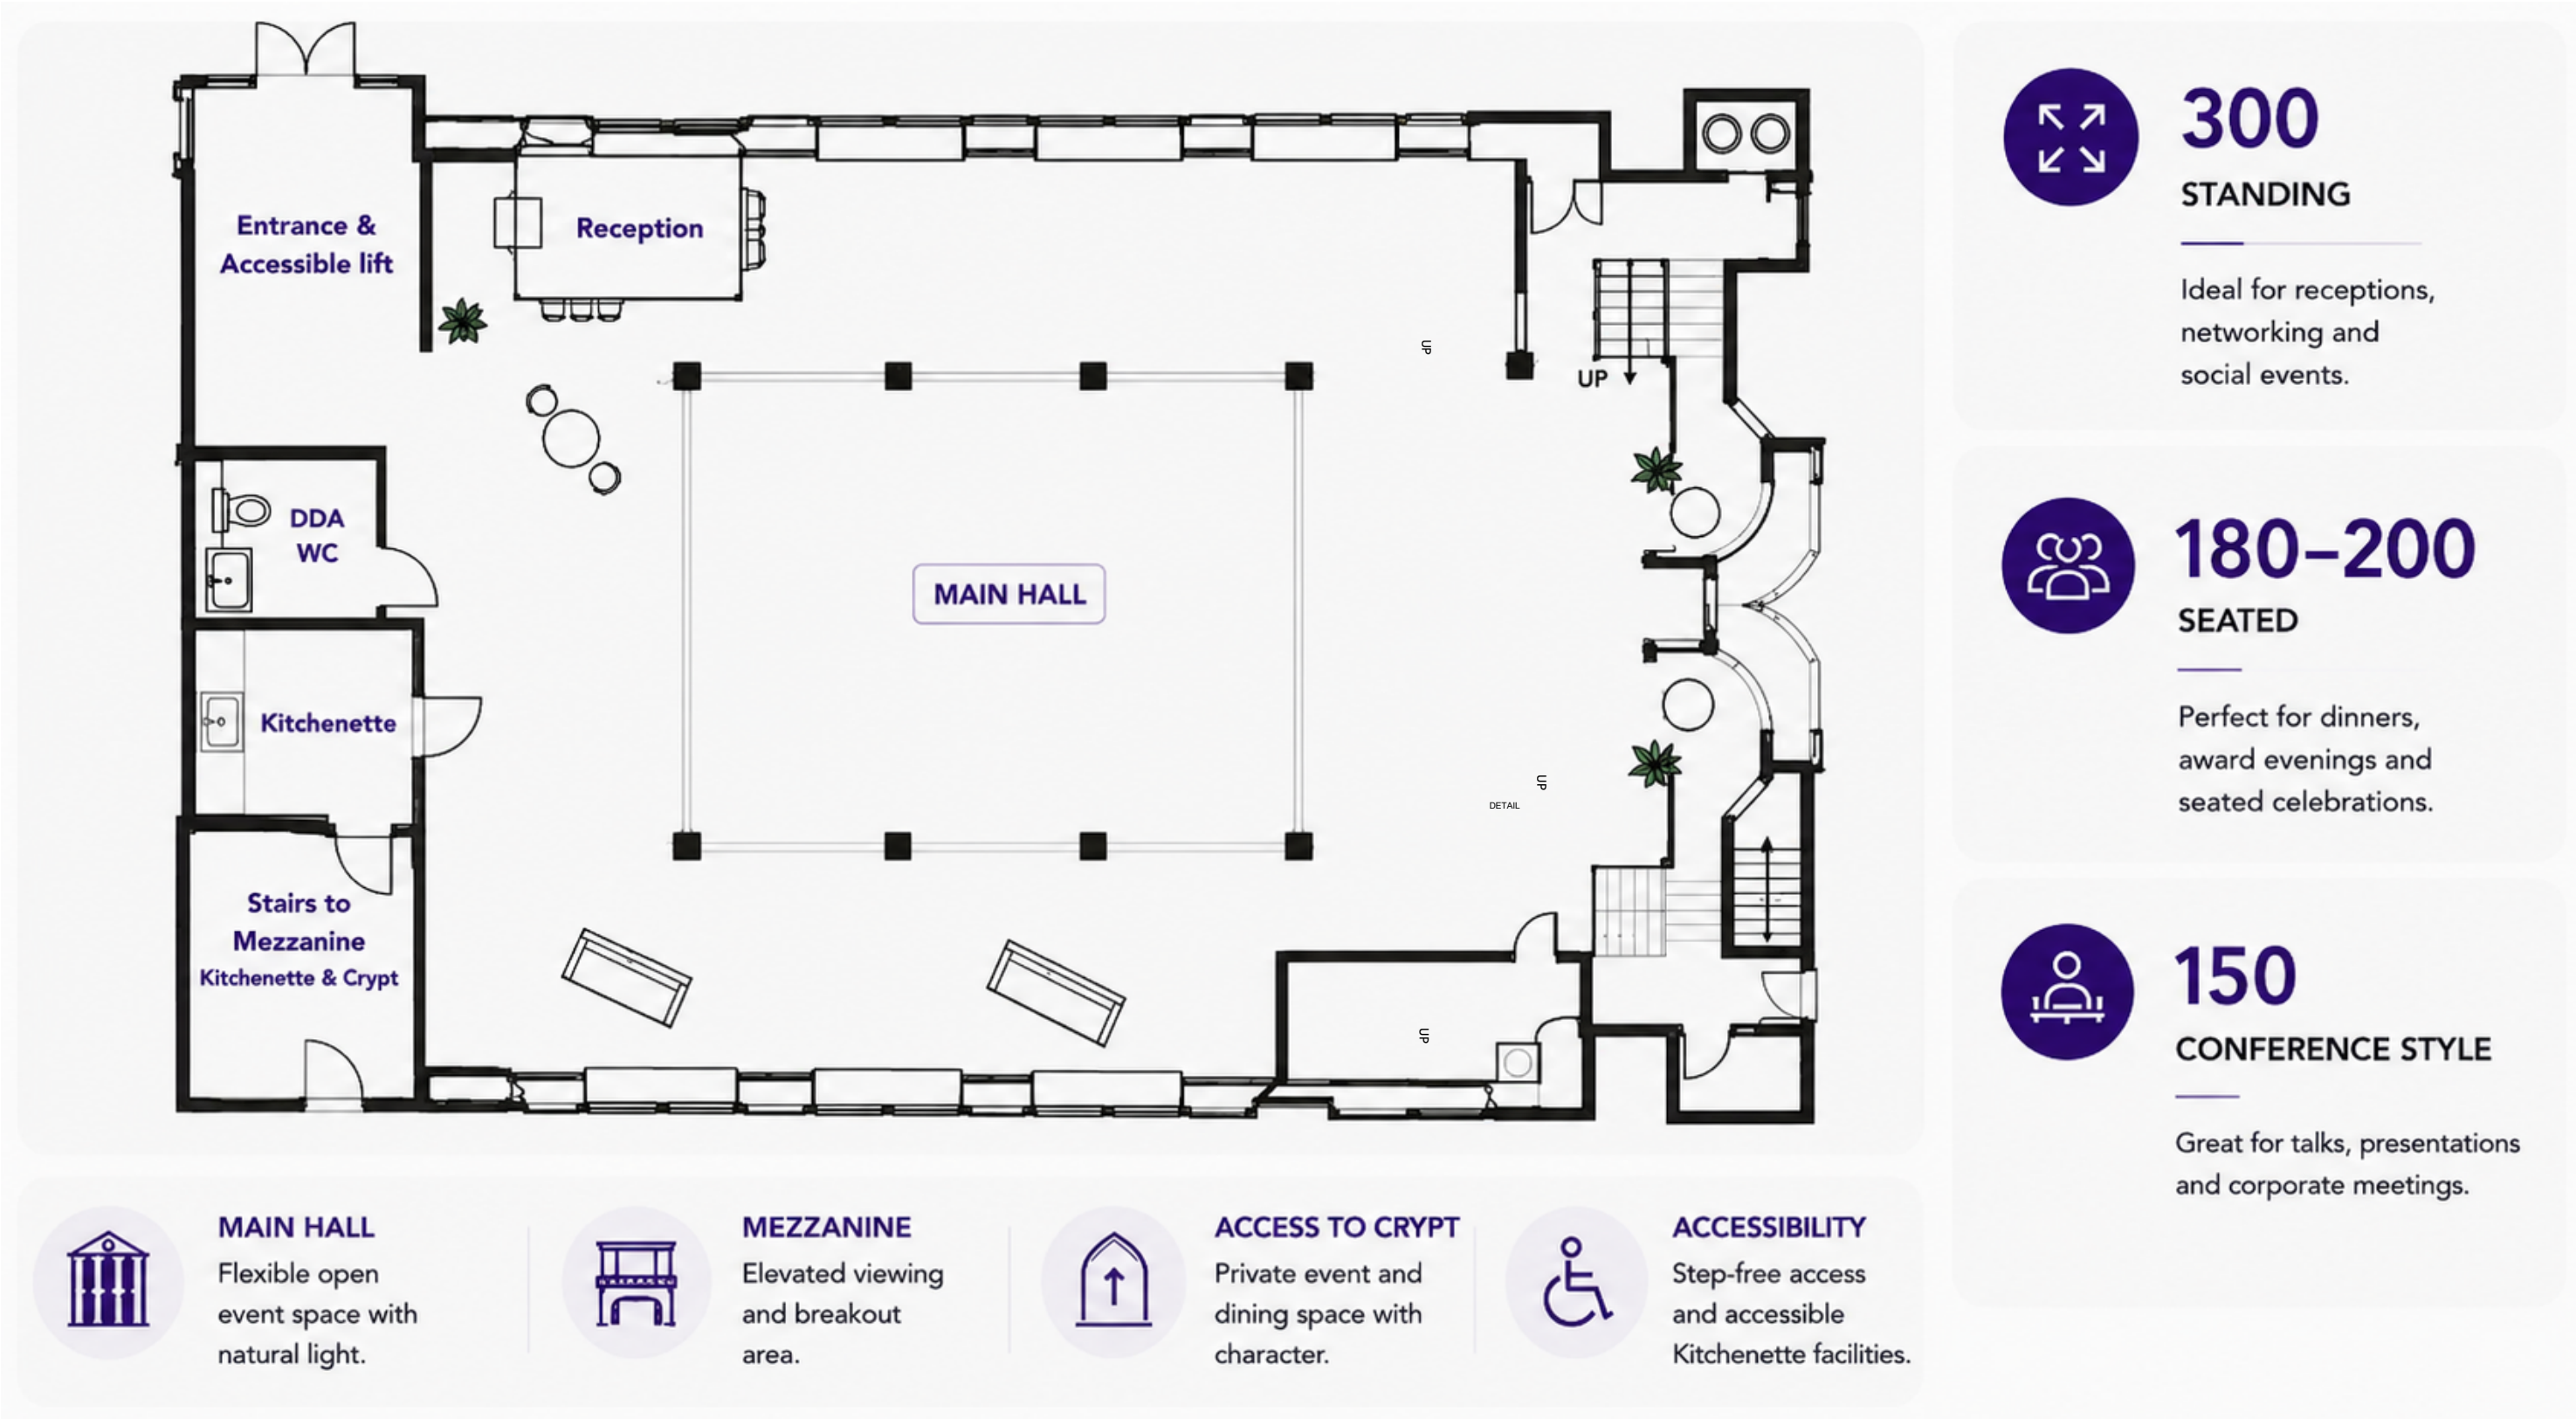

A venue with character and scale

- Grade II listed church
- Prime Zone 1 location – 5 mins from Marylebone & Edgware Road
- 23,000 sq ft total | 10,000 sq ft main hall & mezzanine
- 300 standing | 180–200 seated | 150 conference style
- Basement crypt | Breakout rooms | Boardroom | Kitchen

The Greenhouse Centre is only available for private hire on Thursdays during termtime. If you want to use the venue between 15 December and 2 January, there maybe adhoc availability at a surcharge.

Main hall floor plan & capacity

A spacious, versatile space for every occasion

Audio & Visual Provision

Professional AV facilities for private hire

AUDIO

23 × BOSE DESIGNMAX DM3SE SPEAKERS

- 11 speakers in the Main Hall
- 12 speakers in the Mezzanine
- Independent zoning between Main Hall and Mezzanine

4 × RCF EVOX 5 SPEAKERS

- High-performance system for higher-volume audio and larger audiences
- Standard setup: 2 at the front of stage (2 additional for central ground-floor columns)

MACKIE PROFX16v2 MIXING DESK

- 16-channel mixer for connecting laptops, phones and other audio sources

2 × WIRELESS MICROPHONES

- Beyerdynamic TG 500H-D handheld wireless microphones
- Audio routed through Bose system and, where required, RCF speakers

VISUAL

5 × 65" LG LED SCREENS (WALL MOUNTED)

- 2 screens in the Main Hall
- 3 screens in the Mezzanine
- Display Sky TV, presentations, video, logos and more via WePresent

2 × 75" LG LED SCREENS (MOBILE TROLLEYS)

- Mobile screens for flexible positioning within the Main Hall

CONTENT & TV

2 × SKY TV FEEDS

Two independent Sky feeds, allowing different channels across screens and audio via Bose or RCF systems.

4 × WEPRESENT FEEDS

Wireless presentation and content sharing, with different content shown on multiple screens at the same time.

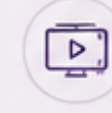

CENTRAL CONTROL

IPAD AIR CONTROLLER

The iPad provides central control of the AV system, allowing you to:

Manage individual screens and displayed content

Control presentations and switch Sky channels

Adjust Bose speaker volume

Manage microphones, audio sources and floor boxes

The iPad controls the Bose speaker system. The larger RCF speakers are managed independently via their built-in amplifiers.

FLEXIBLE AV FOR ANY EVENT

From background music and presentations to large-scale events and live viewing, our AV system is designed to suit the scale and style of your private hire.

CONFERENCES

PRESENTATIONS

CELEBRATIONS

LIVE VIEWING

“It’s magical inside – a grand historic building. When you walk in, you feel it straight away, the light through the stained glass, the atmosphere, the sense that something special happens here.”

Join our community and host your event at
the Greenhouse Centre.
